REMARKS

Applicants appreciate the thorough examination of the present application that is reflected in the Office Action. Applicants also appreciate the allowance of Claims 6-19, and the decision that Claims 2-3 and 22-23 would be allowable if written in independent form including all of the recitations of the base claim and any intervening claims. To place the application in condition for allowance, Applicants have canceled Claim 1; amended Claims 2 and 3 to independent form including all recitations of the base claim and any intervening claims; amended Claims 4 and 5 to depend from Claim 2; canceled Claims 20 and 21; amended Claim 22 to independent form including all recitations of the base claim and any intervening claims; and amended Claim 23 to depend from Claim 22.

Accordingly, Applicants submit that all of the pending claims are now in condition for allowance.

Respectfully submitted,
